

Population and Quantitative Health Sciences

BRIDGE TO SUCCESS

Tuesday, January 8, 2019

12:30-1:30 pm

Albert Sherman Center

AS9-2072 Conference Room

The BRIDGE Research in Progress workgroup provides an informal setting for new and experienced researchers to share nascent ideas or research-in-progress and to receive just-in-time feedback. Do you have an emerging idea for a grant or manuscript? Come share your research ideas and let us help you!

JANUARY PRESENTER:

Matthew Harkey, PhD, ATC
Post Doctoral Research Fellow
Division of Epidemiology

“Predictors of Longitudinal Trajectories of Objective Physical Function Alterations in Individuals with or at Risk for Knee Osteoarthritis”

Population and Quantitative Health Sciences faculty will participate in all sessions. This working group is available to students, residents, fellows, and junior and senior faculty throughout UMMS. All investigators interested in discussing current and emerging research ideas are welcome.

Email BRIDGE@umassmed.edu to sign up for a presentation slot. If you are working on a deadline, let us know so we can adjust the schedule to accommodate more urgent needs!

Lunch will be provided
