

EDUCATION NAVIGATOR SERVICES

This service is available to our FaCES families:

1

Educational Stability:

- Promote school continuity during placement changes
- Supports caregiver school transportation request when applicable
- Help reduce unnecessary school transitions

School Collaboration:

- Request meetings with teachers, school staff, and support teams to discuss your concerns
- Attend school meetings when appropriate
- Review school attendance and academic progress reports

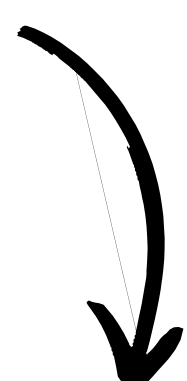

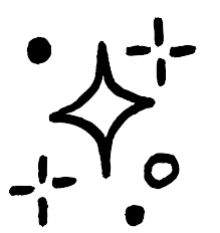

2

3

Special Education Advocacy:

- Assist with request for education evaluations
- Support the development and review of IEP'S and 504 education plans
- Help caregivers/education decision makers understand their rights

Behavioral & Emotional Support Coordination:

- Help caregiver identify school-based supports and consider best option for their child
- Support the development of Behavior Intervention plans (BIP's) when useful
- Collaborate to promote trauma-informed school practices

4

5

Caregiver Empowerment:

- Create a space where caregivers can ask questions and learn more about their educational rights and responsibilities
- Prepares caregivers for school meetings
- Offers ongoing consultation and support
