

What support can the school provide to a child who is struggling:

Academic Support:

- reading or math intervention
- small group instruction
- tutoring or academic assistance

Behavioral & Emotional Support

- school counseling
- functional behavioral assessment
- behavior intervention

504 Plan (provides classroom accommodations such as)

- extra time on assignments/tests
- breaks during class
- preferential seating
- modified workload

IEP (Individualized Education Plan)

- specialized instructions
- individualized goals
- related services (speech, counseling, occupational therapy)
- reviewed annually
