

## Millennium PhD (MMPP) Course Sequence

MMPP students will be enrolled by the GSBS office in most courses. Courses marked self-enroll, require students to self-enroll using the online registration system.

Please note BBS courses are for those students in the Basic Biomedical Sciences track, CTS courses are for those students in the Population Health Sciences track and GBS courses are for both tracks.

| Year | Semester | Course  | Self-enroll | Credits |
|------|----------|---|-------------|---------|
| 1    | Fall     | BBS or CTS 870 – Prequalifying Research   | ✓           | 9       |
| 1    | Fall     | GBS 601 – Responsible Conduct of Research, Part 1<br>OR<br>Participation in the RCR series offered to post-doctoral scholars* | ✓           | ½       |
| 1    | Spring   | BBS or CTS 870 – Prequalifying Research   |             | 9       |
| 1    | Spring   | BBS 860 Qualifying Exam   |             | 1       |
| 1    | Summer   | BBS or CTS 870 – Prequalifying Research (if have not passed QE, yet)  |             | 9       |
| 1    | Summer   | BBS 900 – Thesis Research (If passed QE)  |             | 12      |
| 2    | Fall     | GBS 602 – Responsible Conduct of Research, Part 2<br>OR<br>Participation in the RCR series offered to post-doctoral scholars* | ✓           | 1       |
| 2    | Fall     | BBS or CTS 865 – TRAC Meeting   |             | 1       |
| 2    | Fall     | BBS or CTS 900 – Thesis Research  |             | 12      |
| 2    | Spring   | BBS or CTS 865 – TRAC Meeting   |             | 1       |
| 2    | Spring   | BBS or CTS 900 – Thesis Research  |             | 12      |
| 2    | Summer   | BBS or CTS 900 – Thesis Research  |             | 12      |
| 3    | Fall     | BBS or CTS 865 – TRAC Meeting   |             | 1       |
| 3    | Fall     | BBS or CTS 900 – Thesis Research  |             | 12      |
| 3    | Spring   | BBS or CTS 865 – TRAC Meeting   |             | 1       |
| 3    | Spring   | BBS or CTS 900 – Thesis Research  |             | 12      |
| 3    | Summer   | BBS or CTS 900 – Thesis Research  |             | 12      |
| 4    | Fall     | BBS or CTS 865 – TRAC Meeting   |             | 1       |
| 4    | Fall     | BBS or CTS 990 – Graduate Research  |             | 0       |
| 4    | Spring   | BBS or CTS 865 – TRAC Meeting   |             | 1       |
| 4    | Spring   | BBS or CTS 990 – Graduate Research  |             | 0       |

| Year | Semester | Course                             | Self-enroll | Credits |
|------|----------|------------------------------------|-------------|---------|
| 4    | Summer   | BBS or CTS 990 – Graduate Research |             | 0       |

\* Responsible Conduct of Research (RCR) is a requirement of the MMPP Program this can be fulfilled by completing the formal GSBS Courses (GBS 601 and GBS 602) or Participation in the RCR series offered to post-doctoral scholars
