FORM GSBS69: GENERAL EXAMINER CHECKLIST

Student:

Section A

Please complete all areas

- The student's transcript was reviewed.
- The student has met all Program and GSBS course requirements
- The mentor provided a written evaluation.
- The mentor's written evaluation (if provided) was reviewed by the QEC.

The student was asked about concurrent or previous fellowship applications relating to the proposed work, and the degree of independence in preparing such applications.

- The committee achieved consensus on the QE score and outcome.
- The score and outcome form were completed before the meeting adjourned, with all QEC members present.

The score and outcome were communicated to the student.

If the student was found deficient in any areas, the QEC/QEC Chair gave guidelines for improvement.

THIS FORM IS FOR PREVIEW PURPOSES ONLY AND WILL NOT BE ACCEPTED FOR SUBMISSION.

Saction P				
Date of Qualifying Exam:				
Student:				
Please complete one of the following outcomes: Pass, Not Pass, Fail				
For outcome of PASS				
The student's performance was Developing, Achieving, or Excelling in all areas.				
The student is in Good Academic Standing (GPA>3).				
If all Program/GSBS course requirements have not been met, the student presented a specific plan for completing requirements.				
For outcome of NOT PASS				
☐ The student is in Good Academic Standing (GPA≥3).				
If all Program/GSBS course requirements have not been met, the student presented a specific plan for completing requirements.				
The student's thesis mentor indicated support through reasonable remediation.				
A remediation plan was discussed with the student.				
An appropriate timeline for re-examination was set and communicated to the student. <i>The chair should inform the Associate Dean for Academic Affairs of the remediation plan</i> .				
For outcome of FAIL				
The student's performance was seriously deficient in multiple areas.				
The QEC determined that no remediation plan on a reasonable timeline would be effective.				
The QEC communicated the outcome to the student. The chair should inform the Associate Dean for Academic Affairs of this outcome.
