

### Morningside Graduate School of Biomedical Sciences Health Clearance Checklist

The checklist below is to be used as a guide for submitting official immunization and lab documentation to complete the health clearance requirements. Please review the checklist carefully and allow enough time, as it can take up to 2 months to complete. All requirements must be met prior to your start date to be medically cleared. Please upload all official documentation to the Peoplesoft portal. Any medical clearance questions are to be asked through the Student Health section of the Peoplesoft portal. Once all requirements have been met your status will be approved. Student health clearance documentation will be held in a secure electronic medical record at UMass Memorial Health Care (UMMHC) in Epic. **Please remember that ALL health documents submitted must contain patient identifiers (first name, last name, and date of birth or they will not be accepted).**
